RICHARD DANA BROTHERTON, 1942-1970

Richard left Ithaca in 1961 to attend Williamsport Technical Institute in Williamsport, PA. After graduating he took a job with General Electric as a draftsman in their radio department. Richard was considering an offer to move to Japan to work for GE's overseas radio division.

Richard married, and just six months later, in the summer of 1970, he was tragically killed in a traffic accident in Utica, NY.
